Spin Speeds - RPM	High 710; Low 473
Motor HP (Thermal Protected)	2-Speed, 1/2 HP Reversing for 1725 or 1140 RPM
Top & Lid Finish	Porcelain
Colors	White
Electrical Specifications & Circuit Requirements	120/60/1 - 15 amp
Net Weight - lbs (kg)	190 (86)
Shipping Weight - lbs (kg)	210 (95)
Agency Approvals	cULus

At Speed Queen, we're so confident that our heavy-duty commercial washers and dryers are Commercial Built to Last Longer, that we're offering the following limited warranty to prove it:

Through three years† — Any part of the washer, dryer or stack dryer. Through five years† — The washer transmission assembly, base and cabinet assembly including top, lid and door, against rust from inside out. Lifetime† — The stainless steel washtub.

†Parts only. Labor not included. See Speed Queen Warranty Bond for specifics.

For the most accurate information, the installation guide should be used for all design and construction purposes. Due to continuous product improvements, design and specifications subject to change without notice. The quality management system of Alliance Laundry Systems' Ripon facility has been registered to ISO 9001:2000.
