

# Wascomat W Series Coin/Card Washers

**Water and energy efficient solid-mount washers for self-service laundries.**

Wascomat W models have more than 100 years of innovation and experience behind them! Built to last, Wascomat washers clean more efficiently and are equipped with an easy-to-understand control panel. Wascomat equipped stores increase customer satisfaction and command higher resale values.

## Features and benefits:

- Large door opening for fast loading and unloading.
- Hot, Cold, Warm, Delicate and Permanent Press classic wash cycles.
- “Quick disconnect” wire harnesses for easy service.
- Best parts availability and interchangeability across models.
- Unibody construction eliminates welds for superior strength, reliability and durability.
- Modern industrial design blends well with all store decors.

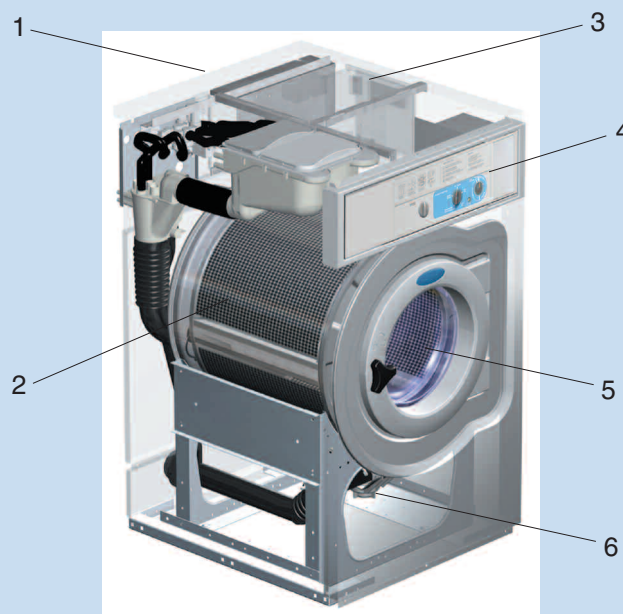

*Available in 20, 30, 40, 55 and 75 lb. capacities. Choice of white or stainless steel front panel.*

## Technology, design and quality:

1. Program options board (located at rear of washer) lets you easily change rinse temperature, skip pre-wash, skip first rinse, change mainwash time, and change water levels.
2. Stainless steel inner and outer drums.
3. All electrical components, even door lock electronics, are located on top away from water.
4. User-friendly electromechanical control with instruction panel in English and Spanish.
5. Large door impresses customers with large capacity.
6. Easy service front-mounted compact hydraulic drain valve reduces water consumption.

Available with coin slide, drop-coin meter or card system ready.

Wascomat washers were first made in 1902. We are renowned for exceptional service and superior products. Parts and technical support are available for virtually every machine ever sold in the United States and Canada through our extensive dealer network. When you buy Wascomat laundry equipment, you are truly investing in your future.
